## Summer Ministry

This year's summer ministry was a challenge this year, but it was good as always! We had an almost brand new team this year. As many of the previous *Christian Youth in Action®* students have moved out of state, or moved on to becoming adults.

We had some bold *CYIA™* students this year that stepped up to teach Bible lessons. They were both only first year students. Bible Lesson teachers are usually only those that are second years and up. They were willing to step up and help when they were needed.

## Camp Good News®

Camp Good News 2023

Camp Good News this year was our biggest camp to date. We had 117 kids attend this year of camp. There were 45 staff, *CYIA* students, and volunteers that attended camp, making sure everything ran smoothly and the children were reached with the Gospel. We could not do this week without them. Thank you to those that prayed and volunteered for this week!

There were many boys and girls that returned to camp for another year! We also had many new children this year! This week of camp is one of the most impactful weeks of the summer both for the children and for everyone that helps with camp, as far as we can tell.

## Having an Eternal Impact!

Good News Club®

We have 7 *GNCs* that have started this school year. We are thankful for the volunteers that have come back to help again this year, and for the new volunteers that have come on for the first time! We want to be able to reach as many kids in these schools that we can!

The *JYC™* and *SYC* Clubs have gone extremely well this year. We have had many in attendance at all three of these clubs. We have been able to walk together with these teens through some very hard things going on in their lives this year. Please pray for the ministry going on here with these teens, that they would learn to find hope in Christ and a relationship with Him. We have new volunteer teachers that have done an amazing job so far!

## Prayer Request

Please pray for, and attend if able, our upcoming fall fundraiser. Our 3rd Annual Outdoorsman Fall Expo it will be happening on Friday, November 17th. Please scan the QR code or visit our website at [www.cefcentralwyoming.com](http://www.cefcentralwyoming.com) for more info.

Please pray for the future of CEF in Central Wyoming. The staff in Central Wyoming wants to use their gifts to do ministry to the very best. We need additional monthly support for more hours for our staff to accomplish this.

Please pray for the committee. We need additional committee members that feel called and have a fire and excitement for the ministry.

Pray for wisdom as we pray about adding a second week of Camp Good News. This camp has grown so large that we barely fit in the camp without turning kids away. We will be exploring opportunities this year for places that we could expand to a second week of Camp Goods News.
