Summer ministry

This year we started our summer with a smaller CYIA® team, then we have had in the past years. We had 10 students in central that completed the CYIA training.

However, we still had a packed summer of ministry! God still allowed us to participate in many ministry opportunities. We lead four 5-Day Clubs®, one family camp, one VBS and our biggest Day Camp ever! Six children believed in Jesus as their Lord and Savior during these ministries! After all of our regular ministry we served two weeks back to back up at camp.

School Year ministry

We are in preparation now for school year ministry. These clubs will all be starting within the next few weeks.

- 9 Good News Clubs
- 3 Junior Youth Challenge
- 2 Senior Youth Challenge

If you know of anyone interested in attending one of our clubs this year, please share the information below. We have moved to an online registration. All of our clubs are listed on our website at www.cefcentralwyoming.com you can access the clubs by going to the Good News Club or Youth Challenge Page.

One week of Camp Youth Challenge our new camp that was started last year for teens. This camp grew in attendance from last year by almost 62%. During this

camp six teens recommitted their lives to Christ! Also at Camp Good News we also seen growth, as this year we had our largest camp to date 114 children. During camp four children believed in Jesus as their Lord and Savior!

We Need Your Help!

CEF in the central chapter has grown exponentially in the last few years. We have added six clubs during the school year as well as a youth camp just to name a few. We are reaching more and more children and teens with the Gospel as well as discipling them in the Word of God! We have seen many families begin to attend church as a direct result of this ministry. God is really blessing the efforts of CEF Central Wyoming. If you are not supporting this ministry please consider doing so, if you are supporting this ministry please consider upping your support as we look to hiring additional staff and as always please continue to pray for this ministry.
